I believe that a friendly face makes all the difference when it comes to navigating the loss of a loved one. Each estate or trust has its own unique set of hurdles and obstacles, and my job is to make this process as stress-free as possible for our clients.

A dedicated and professional resource, Emily Rice works with clients to make their experience as smooth as possible. She strives to ensure that each estate and trust administration is properly executed and client satisfaction is met. Emily understands that this process can be overwhelming and works diligently to eliminate the difficulty of this extra step during the grieving process so clients can focus on what's most important while keeping them informed every step of the way. She has a bachelor's degree in pre-law and more than seven years of experience in the legal field. In addition to estate administration, Emily has experience working in civil litigation, insurance defense, and family law matters. She currently serves clients in Tennessee and Georgia.
